

Lions Will Dedicate Ice Skating Pond at Mokena Park Sunday

Mokena teen agers and grown-ups that like ice skating are keeping their fingers crossed for cold, clear weather this weekend.

Formal dedication of the skating pond constructed by the Mokena Lions at Mokena Community park is to take place Sunday afternoon and the committee in charge has arranged for a demonstration of figure skating by the Seaborgs, a husband and wife team of fancy skaters.

The program is to begin at 2 o'clock and Ray Westlund, president of the Lions club invites everyone in the area to attend the affair.

The Seaborgs not only will give a demonstration of fancy skating but also are to give instructions on the art to all who come equipped to spend an afternoon on the ice. So those who want to learn how to waltz and cut fancy figures are invited to bring their skates.

There will be music furnished thru sound equipment provided by Norval Robinson and Glen Miers.

The pond was built by the Lions club which also has kept it flooded. The weatherman has been cooperating too so youngsters and oldsters who like to skate have had a lot of the sport this year. And the nice thing about it is that there is no possibility of falling in—the ice being on the ground.

Dairy Farmers to Hold Annual Meeting Feb. 7

Dairy farmers from Will, Grundy and South Cook counties will hold their annual meeting of the Milk Association's Dist. 13 on Tuesday, Feb. 7 at Manhattan.

The 600 farmers who are members of the district will meet for a report of the association's activities and for an election of officers in Sportsman hall at Manhattan beginning at 10:30 a.m.

Two speakers will be on the program. A. L. McWilliams, general manager of the association, will review the progress of the cooperative during the past year. He will also list the problems that Illinois dairy farmers will face during the coming year and outline the methods by which farmers can meet these problems through Association action.

Walter E. Winn, president of PMA and a dairy farmer from Richmond, Ill., is also on the program. Winn will discuss the possible action for dairy farmers in guiding national farm legislation.

A lunch will be served at noon for members and their wives.

Howard Klett, treasurer of PMA and the representative of Dist. 13 on the association's board of directors is currently serving the first year of his most recent two-year term on the 16 member board.

The association which includes 15,000 dairy farmers in a four-state area around Chicago is run by this board of dairy farmers.

Other officers whose terms expire at the annual meeting this year are Julius Sewing, Route 2, Elwood, president; Melvin J. Heisner, Peotone, vice-president; A. C. Geuther, Frankfort, secretary-treasurer and member of the association's resolutions committee and Andrew Swanberg, Route 2, Frankfort, member of the re-districting committee.

New Lenox Girl Is Elected to Honor Society

A New Lenox girl, Shelby Brown, daughter of Mr. and Mrs. Lester E. Brown, is one of nine seniors at St. Francis academy in Joliet that will be inducted into the National Honor Society March 2.

To be eligible for NHS students must be in the upper fourth of their classes and possess the qualities of leadership, scholarship, character and service and have the approval of the faculty.

Besides the National Honor Society there are two other national societies at St. Francis, the National Thespians and the Quill and Scroll.

Mrs. Pearl Gramse Of Mokena, Dies; Rites in Chicago

Mrs. Pearl Gramse, 115th av., Mokena, who had been a patient in the South Chicago Community hospital for several months, died there Friday, Jan. 27.

Mrs. Gramse was born in Chicago and lived there for several years before moving with her family to Mokena two years ago.

Surviving are her husband Harry, three daughters, Mrs. Charlotte Granzky, Chicago; Virginia and Margo; three sons, Herbert, Paul and Harry Jr. of Mokena; two grandchildren, and her father Richard M. Hagen.

Funeral services were held Monday afternoon in the chapel at 5501 N. Ashland ave., Chicago followed by cremation.

Frankfort, N. Lenox Firemen Fight Blaze at Manhattan Garage

Firemen from Frankfort and New Lenox joined with those of Manhattan Monday in fighting a fire in the business section of that village. Damage from fire, smoke and water was estimated at \$20,000, according to Russell Ingraham of Manhattan, owner of the property.

The building is located on Route 52, just south of the Monee rd. and on the east side of the street. It is of brick construction with a garage occupying the ground floor and two apartments on the second floor.

The blaze is believed to have been started in the vicinity of oil tanks supplying fuel for the apartments, it was reported. Two boys in the Jefferson Balley family who were getting ready for school were the ones who first noticed smoke and gave the alarm. They, with their mother Elizabeth, led four younger children to safety. The families clothing and personal effects were destroyed.

The blaze did not spread to the other apartment, occupied by Mr. and Mrs. Lawrence Pitts, but the contents there were water soaked. Two families residing in an adjoining building, the A. E. Bellevue and Durbins, had smoke and water damage too. Firemen prevented the flames from reaching the garage, operated by Kenneth Vining or from spreading next door and were praised for their work in stopping the fire.

Thirty-five firemen fought the blaze in below freezing temperatures that caused icicles and great slabs of ice to form. Kenneth Byron who operates a restaurant across the street, kept the firemen supplied with hot coffee.

Silver Cross School Of Nursing to Hold Open House Feb. 3-4

Silver Cross School of Nursing, Joliet, will hold open house in the nurses' residence tomorrow evening, Feb. 3 beginning at 7 o'clock and on Saturday afternoon, Feb. 4, beginning at 2:00, for girls interested in nursing and their parents and teachers.

A group of students will present a sketch and the student nurses chorus will sing on both occasions. The sketch for both Eleanor Rang of Joliet and Jane Schuler of Ashkum, will be the leaders' covers, thru informal discussion, different phases of student life at Silver Cross.

The chorus, which is directed by Miss Marjorie Crate of the school faculty will sing "My Beautiful Lady" and "I'm Falling in Love with Someone" and two spirituals, "Hebbin, Hebbin" and "The Old Ark's a Moverin."

Guests on Saturday afternoon will tour the nurses' home and Silver Cross hospital before the program begins at 3 o'clock.

There will be an exhibit of student hobbies in one of the class rooms and for both affairs the advisory board of the hospital will serve refreshments.

Rev. Ralph Miller to Preach at Frankfort

The Rev. Ralph L. Miller, recent pastor of New Lenox church will preach at the morning worship, Sunday, Feb. 5 in the Frankfort Methodist church and conduct the service of baptism for DeBorah D. Day, infant daughter of the Rev. and Mrs. Ben F. Day.

Baptist Church Plans Missions

A series of mission meetings will be held in the Park View Baptist church of Mokena thru this month, beginning Sunday, Feb. 5, when the Rev. Albert Bergfalk will appear.

He is to discuss the foreign missions program at the Sunday school and morning worship hours. At the evening service the Rev. Mr. Bergfalk will show films of some of the missionary fields.

One of the films will cover the Philippine scene in which Park View church is especially interested due to the fact that it is giving major support to a missionary couple sent to that field only recently, the Rev. and Mrs. Gerald Osborne.

On the following Sunday, Feb. 12, the Rev. John Galloway, a returned missionary from Arabia, will speak concerning the responsibility of foreign missions to young people. At the evening service he will show pictures of Ethiopia.

On Feb. 19, the pastor, the Rev. Arthur Contois, will speak on the responsibility of foreign and home missions to the local church. At the evening service on Feb. 19, Miss Mary Hovey, of Oak Lawn, returned missionary from Japan, will be the speaker in a program presented by the Park View Ladies missionary society.

Featured will be music by the Ladies' chorus.

On Feb. 26, the Rev. Robert Klingberg will speak on the work of home missions, involving missions in the western hemisphere and Europe. He will show pictures of those fields, in the evening. At all these services the Park View choir will sing special arrangements and anthems on the missionary theme.

Mothers Collect Funds to Aid Fight on Polio

The Mothers March on Polio which was conducted Tuesday night at Mokena, netted \$247.33, according to those in charge.

This was less than the amount collected by the mothers last year. Approximately \$300 was collected by them in 1955.

There are still reports to be made of local collections, the coin collectors left in public places and the returns thru the envelopes sent out from county headquarters.

The Mothers March in Frankfort was conducted last week, the night of Jan. 25, and \$314.81 was collected.

Miss Viola Lankenau, chairman of the polio fund drive in Frankfort for the past 11 years, was awarded a pin and certificate of recognition for her work as such at the citation dinner given in Joliet on Wednesday of last week in the Moose temple.

The total reported from Frankfort for the Mothers March included the amount collected in Lincoln Estates. In addition the Frankfort school has collected \$84.15; the Ann Rutledge school in Lincoln Estates, \$32, and the Gatter school, also in Lincoln Estates, turned in \$8.85, for a total reported to date of \$439.81 in the Frankfort area.

There was no Mothers March at New Lenox this year for lack of a chairman to handle the details, it was reported.

Insurance Firm Reports Gain

The report of the New Lenox Mutual County Fire Insurance Co. shows a substantial gain in the amount of business written.

The report was made at the 59th annual meeting of the company which was held last week at the New Lenox State bank.

The reports show \$1,681,550 of insurance now in force.

All of the officers that had been serving the company were reelected. They are:

Willard A. Rowley, president; Fred Petges, vice president; Ernest Oram, treasurer and C. L. Jones, secretary. Board members are: E. J. McLaughlin, Glenn Sprout, Chester Kirstens, James Frazer, J. A. Kestel and John Alexander.

Heart Researchers Seek Solution to Three Important Questions

Since 1949, when the first Heart Fund campaign was conducted, more than 13,000,000 Heart Fund dollars have been channeled into research.

Great progress has been made, especially in treatment of heart disease, but there are three supremely important questions still unanswered.

1. What causes arteries to become thickened, roughened, and narrowed (arteriosclerosis), interfering with blood flow and setting the stage for a "Heart attack"?

2. Why do the tiny ends of the arteries become constricted thus setting the stage for high blood pressure (hypertension)?

3. How does strep infection lead to rheumatic fever, and consequently to rheumatic heart disease?

These three conditions are responsible for more than 90 per cent of all heart disease. Once the causes are found, the chances of discovering cures or controls will be increased immeasurably.

The importance of these studies is suggested by figures which show that nearly 800,000 persons die each year from diseases of the heart and blood vessels, and more than 10,000,000 are affected by them in this country alone. In other words, heart and circulatory diseases are responsible for more than 52 per cent of all deaths. They affect about one out of 16 persons. They constitute the nation's No. 1 health problem by a significant margin.

That is why research supports get top priority in the Heart program.

Yet research alone does not afford a full answer. It supports programs of professional education, making possible the speedy and accurate transmission of the newest research findings to your doctor. It also supports programs of public education designed to eliminate needless fears and to encourage early diagnosis.

Finally, your Heart Fund gift also supports an ever-broadening plan of community heart programs intended to help heart disease sufferers to continue as useful and productive members of human society. This month the public has an opportunity to contribute to the Heart Fund say those in charge: "Lend your hand to help heal hearts."

Auto Collision Victims Improve

Two victims of a two-car collision near Orland Park last Saturday morning enroute to a basketball game at Carl Sandburg high school are recovering.

One of them, George Ruhle, Cedar rd., New Lenox, a member of the freshman basketball team at Lincoln-Way high school suffered a head injury and was held at Little Company of Mary hospital. Evergreen Park for several days.

The other person injured, Alfred R. Zechlin, 60, of Frankfort who was driving one car, was given emergency treatment at the hospital for severe cuts on the nose and released. He complains of chest pains but is reported as improved.

Two other boys in the car, Terry Shroeder and Charles Otto both of Frankfort, escaped hurt. The Otto boy is manager of the freshman team at Lincoln-Way. Lincoln-Way freshmen had a game scheduled at Sandburg high Saturday morning. Freezing rain had left Route 45 glazed in spots and treacherous. According to State Police Officers Robert Nickola, Albert Greco and Francis Jedlicka of the Blue Island district, a south bound car driven by J. J. Ryan, 60, of River Forest, skidded on the ice near 134th st. into the path of Zechlin's north bound car. Mr. Ryan was shaken up, it was reported, and his wife, Mae, 63, suffered a severe injury to an ankle.

UNDERGO SURGERY

Elmer L. Cooper, Ford dealer of Mokena and chairman of the Will county zoning board underwent surgery in Silver Cross hospital Saturday morning. The operation has proved to be successful but since then complications have arisen which has caused the attending physicians some concern.

Glenn Folkers, mail carrier out of the Mokena postoffice, underwent surgery for his back in Silver Cross hospital Tuesday morning. The operation was pronounced successful and he is doing as well as possible at this writing. Mr. Folkers also was mail carrier out of the New Lenox postoffice for several years, and also was secretary of the National Rural Letter Carriers for six years. He and his wife live at 1320 Colorado ave., Joliet. He is in room 235 in the hospital.

Hold Last Rites for Former Orland Pastor

Funeral services for the Rev. Henry E. Rompel, former pastor of the Orland Park Methodist church, who died Sunday at Chicago, were held this morning at 10 o'clock from the Davis funeral home at Morris. Interment is to be in Pekin.

The Rev. Mr. Rompel was 85 years old. He had been ill a long time.

He was an active figure in Rotary for many years and was at one time district governor of Rotary International. Ten years ago on his 75th birthday the Rev. Mr. Rompel was presented with an award of merit by the Joliet Rotary club.

The Rev. Rompel was pastor of the Ottawa Street Methodist church at Joliet from 1921 thru 1925. During his stay in Joliet, where he was, known mostly as "Dad" Rompel, he maintained a constant war against bootlegging and other violations of the prohibition amendment and apparently kept it up until Repeal restored the liquor traffic to legitimacy.

The Rev. Mr. Rompel was also a leader in the Boy Scout movement and received many awards for his work in this field.

He was a member of the Masonic fraternity and the Scottish Rites bodies.

From Joliet he moved to Springfield and later served churches at Morris and Ottawa. After his retirement 12 years ago the Rev. Mr. Rompel became supply pastor for the Orland Park church. He left the Orland church four years ago to complete retirement at Morris. Last December he and Mrs. Rompel moved to Chicago.

Besides his wife, Dorothy, the Rev. Mr. Rompel is survived by three sons, Victor of Chicago who for many years was boys' secretary at the Joliet Y.M.C.A.; Roal Rompel, of Prattville, Ala., and the Rev. Nobel Rompel of Xenia, O. Two grandchildren also survive.

Amvets Auxiliary Square Dances Are Popular with Youth

The Amvets auxiliary of post 183 of Mokena met recently in the home of Mrs. Erich Book to make plans for installation of their officers to be held Sunday, Feb. 12 in the VFW hall.

The committee in charge of the square dances, which the group is sponsoring, report there were more than 60 young people at their last dance. The next dance will be given this Saturday evening, Feb. 4 in the old St. Mary's school on Wolf road, starting at 7:30 pm. All young people of the area are invited. Those of the lower grades in school who attend must be accompanied by their parents or an older member of the family. This program is intended to give the young people a wholesome entertainment close at home. The dances are quite popular, the committee finds.

Civic Group Elects Officers

The Mokena Civic Association has held its annual election of officers.

George H. Bills was elected president, succeeding Charles Swanberg. Mr. Bills is the advertising manager of the Dutch Brand division of the John-Manville company.

Raymond Hooehlan, an attorney, was chosen vice president.

The other officers elected are Marion Owen, secretary, and George Devlin, treasurer. The trustees named are T. Arthur Shoop, Lyman F. Teague and Stanley Williams.

Methodists to Sponsor Concert at Lincoln-Way

The Methodist churches of Mokena, Frankfort, New Lenox and Manhattan are sponsoring a sacred concert to be given in the west gymnasium of the Lincoln-Way high school this evening, Feb. 2 beginning at 7:30 o'clock.

The concert will be given by a choir of 43 voices from Kendall college, Evanston. There will be no admission charge but a free will offering will be taken to defray the expenses of the choir which is making a tour of this part of the state. The choir comes highly recommended and those who have heard it are loud in praise of the program.

A pot luck supper will be held previous to the concert at 6 p.m. in the school cafeteria and everyone is invited. Those attending the pot luck are asked to bring a covered dish to pass, bread and butter, enough food to feed at least one more, and table service. In this way the members of the choir will have their dinner with little or no expense to anyone, and a friendly social hour enjoyed.

An invitation is extended to everyone. One does not need to attend the supper in order to attend the concert, it was explained.

Rudolph Guzik, 42, Frankfort, Dies Suddenly

Rudolph Guzik, 42 who moved to Frankfort from Chicago three years ago, was found dead in bed, Monday morning by his wife when she called him for breakfast. Mr. Guzik had been under treatment for a heart condition for several years.

Born in Austria Nov. 11, 1911 he came to this country with his parents while a young boy. They settled in Gary, W. Va. On July 20, 1937 he was married to Miss Patricia Ann Yonkers. They made their home in Chicago where he was employed by the Ford company at 74th and Cicero as a supervisor of inspection of the air craft division.

Mr. Guzik is survived by his wife, two sons, Rudolph, Jr., and Gregory and a daughter, Lenora. He was a member of the Frankfort Lions club and the Frankfort Band Parents association. Removal was to the Broda and Patk funeral home, 48th and Hermitage where friends may call. Funeral services will be held Friday morning at 9 o'clock at St. Augustine church, 50th and Laflin ave. Interment will be in Resurrection cemetery.

Mokena PTA to Sponsor Dance at School

As a means of raising funds to support its various activities the Mokena PTA is to sponsor a dance the night of Feb. 25. The affair will be given in the school gymnasium.

Mrs. Norval Robinson, chairman of the ways and means committee is in charge and at the PTA meeting held last week she asked the cooperation of all members in working on committees, selling tickets and taking care of other details to make the affair a success.

If it meets with public favor it is possible that the dance will become an annual event.

At the meeting last week, Herbert J. Wrath, one of the teaching staff at the school, called attention to the magazine subscription campaign now under way. Pupils of the seventh and eighth grades are in charge and the proceeds will be turned into the fund that is being raised to finance the cost of a trip to Springfield by the eighth grade.

Following the regular meeting parents viewed the various classrooms and visited with the teachers.

Refreshments were served by mothers of third and fourth grade pupils. Parents of fourth grade pupils won the attendance award with 53 per cent present. Mrs. Sylvia Staley is the teacher of the grade.

Youth Group Will Serve Supper to Aid New Church

The Youth Fellowship of the Frankfort Methodist church has taken on the responsibility to purchase the office equipment for their new church and also a special missionary project.

In order to meet these obligations, the Fellowship will give one major fund raising event for the year in the form of a spaghetti supper which is to be served next Wednesday evening, Feb. 8. It will be held in their church dining room and the young people will do nearly all the work. Some of the mothers will assist in the preparations in the afternoon so that the young people can take charge when dismissed from school. Mrs. Harry Miller is chairman for the mothers.

Serving will be from 5 to 7 p.m.—spaghetti, salad, french bread, drink and dessert.

LaVerne Mark is president of the society and those working on various committees are, Janet Bauch, Donna Miller, Jimmy Dixon, Arthur Mark, Charles Otto, and Chuckie Mark. They suggest that those planning to attend the PTA meeting that evening, stop at the church and have supper first.

The Rev. and Mrs. Ben F. Day are adult sponsors of the group.

Reflecting both our added leisure time after working hours and the fact that increasingly we wear more informal attire at work, men's sport shirts accounted for 30 per cent of total shirt sales in 1947—and a surprising 70 per cent of the total last year.

An audit of the books of the Mokena Community Park board just completed by Lyman Teague shows total receipts for 1955, including money on hand at the beginning of the year, to be \$5,400.09.

Expenditures for the year totaled \$1,783.03, which left a balance of \$3,617.06 as of Dec. 31, 1955.

The board does not expect any additional income now until the Homecoming, an annual event which is the greatest single source of revenue the park project has.

Receipts when broken down are as follows:

Bal. Jan. 1, 1955	\$2,635.39
Mokena Village Players	500.00
Civic Assoc.	700.00
Homecoming	1,540.00
Miscellaneous	24.70
Total receipts	\$5,400.09

Expenditures:

Picnic tables	\$ 157.16
Baseball backstop	93.17
Water line	607.98
Picnic stoves	108.44
Liability Ins.	106.30
Playground director sal.	699.98
Membership Assoc.	10.00
Total expenditures	\$1,783.03

The park board is planning to enlarge the picnic area this year and also hopes to build a multipurpose court which would serve for tennis, shuffleboard, volleyball, basketball and the like.

Lincolnwood Civic Group to Hold Public Dance

The Lincolnwood Hill Civic association has a project which it hopes to get started for the use of a recreation center for the use of the residents of that area.

Such an undertaking, it was pointed out by those in charge, will take a considerable outlay of cash, despite the fact that a large share of the labor is expected to be contributed and that A. W. McIntosh, realtor, has made a gift of the site, three-quarters of an acre.

As a means of raising some of the funds necessary for the project the association is to hold a party, including dancing, at the VFW hall on Wolf rd. Mokena, Saturday night, Feb. 4. The public is invited.

There will be flowers for the women and prizes also will be awarded. Refreshments will be served without charge.

The Lincolnwood Hills group is now engaged in installing electric lights along a stretch of Hickory creek for the benefit of skaters, according to James Elmore, president of the association.

Illinois G.O.P. Makes Plans for Lincoln Day

Preliminary plans were laid today for the 59th annual Lincoln day celebration traditionally sponsored by the Illinois Republican state central committee.

This year's Lincoln day affair will be held in Springfield on Saturday, Feb. 11, and Leonard W. Hall, chairman of the Republican national committee, will be the principal speaker, according to an announcement by Morton H. Hollingsworth of Joliet, chairman of the Illinois Republican state central committee.

Carlos W. Campbell, state central committeeman from the 21st district, will be general chairman of the 1956 Lincoln event, Hollingsworth said.

Always an outstanding event of the political season, this year's Lincoln celebration will be held in the ballroom of the Abraham Lincoln hotel.

Hollingsworth said that the state committee is planning an elaborate dinner meeting to appropriately observe the birthday of one of the first leaders of the Republican party. Lincoln the 16th president, was also the first Republican president to be in the United States.

Lumber Firms to Close at Noon On Saturdays

Beginning this week-end Welch Lumber and the New Lenox Lumber companies will close at noon on Saturdays, it was announced by management of both firms.

The two lumber companies have been operating on a full six day week schedule but now will reduce it half a day. Persons who do their shopping on Saturdays will have to arrange to pick up or order building supplies before noon now.

Set Cook County's Share in Bond Drive At \$302,984,000

Cook county has been assigned an annual quota for sales of E and H United States savings bonds for 1956 of \$302,984,000.

In an effort to continue the widespread distribution of the national debt, the national quota for sales of these series has been increased to \$5,650 million for 1956.

Illinois has been assigned an annual sales goal of \$509,800,000, according to T. Merle Paul, states sales director of the savings bonds division. "With the cooperation of the large group of savings bonds volunteers, bankers, industrialists, labor leaders, newspapers, radio and TV stations, women's organizations, schools, agricultural groups, and many others who made possible the attainments of the sales quota last year," said Mr. Paul, "we can look forward to an even greater sales record in the coming twelve months."

Income Tax Man Lists Benefits of Servicemen

Military personnel enjoy certain special benefits under the income tax law, according to Delbert J. Luippold, acting district director of the internal revenue service for the northern district of Illinois.

Such items as subsistence and rental allowance, the government's part of the family allowance, state bonus, mustering out pay, uniform allowance, gratuity pay, and national service life insurance dividends, are not taxable and should not be included in the return.

Lump sum payments received by air corps reserve officers in termination of service under Act of June 16, 1936, are not considered mustering out pay and are therefore taxable.

Compensation for services, longevity pay, and reenlistment bonus, are taxable and are usually included in the amount shown on the Form W-2, he explained.

Those persons who complete the long Form 1040 and itemize deductions on page 2 may deduct amounts expended for insignia and attachments for the uniform, loss due to replacement of shortage in accounts not due to negligence, and other deductions allowable to individuals not in the military service.

Items not deductible include auto upkeep, damage to household equipment in moving, depreciation on uniforms, expense of visiting home, uniforms or alterations, and war insurance premiums.

"In completing the form," Mr. Luippold further explained, "you should add your service serial number after your name."

Carbon, basic ingredient of coal, is the backbone of all life and commerce, inasmuch as carbon compounds make up 90 per cent by value and 95 per cent by weight of all products of human labor.

Gratitude Lesson for February 5, 1956

GRATITUDE is not a lost art, but it is a rare one. Ten men were cured of the same disease at the same time, but only one took time off to be thankful. When you hear people complaining about other people, one of the most frequent complaints is that So-and-so was not grateful. "He never said thank you..." She took it for granted... They never wrote me... After all I'd done for them, they left me alone... With him it's all take and no give... Many of these complaints are true, although to be honest about it many of them come from people who aren't too grateful themselves.

Why Don't They Come Back?

When Jesus cured those ten lepers, even he seems to have been surprised that only one of them came back to thank him. We don't know, but perhaps we can venture a guess, as to why nine-tenths of those men who had felt the miracle-working power of God, went their unthankful ways in silence. Once man may have thought: "Who knows? This cure may not be permanent. Better not rush around shouting Hallelujah till I see whether this cure is going to stick." Another perhaps said to himself, "Yes, I'm cured. But I'm sorry it had to be that Jesus from Nazareth. He doesn't have too good a reputation with the authorities—it isn't healthy to be known as one of his friends. I'll play safe..." Another one maybe really meant to thank Jesus; but he "lost his address" as we would say. He kept on meaning to, some day—but he never did. And perhaps still another fully intended to express his thanks, but he said to himself, "Just an ordinary hasty Thank-you won't do. I'll wait till I can do something really Big

for him, something that will repay him, perhaps with interest, for what he has done..." But the time never came. Aren't these some of the very reasons you and I give for not being grateful to God or man?

Cause for Rejoicing

Curing leprosy the way Jesus cured it is a miracle in anybody's language. Most of us think we would be grateful for miracles, if and when—; but for ordinary days, the usual course of events, we don't see God's hand and we do not feel any call to be thankful. As a matter of fact, God's mercies surround us on every side. We owe him life to begin with; it was God's creative power that brought life into being, in a universe hitherto lifeless. It is God's providence that has kept the stream of life flowing down the ages; his providence that gave you the ancestors without whom you could not be what you are. When you think of the enormous number of accidents (to call them that) which might easily have prevented your being born at all, and the "accidents" without which you would never have been born on this planet, you begin to see how grateful you should be. Most people, probably, if saved from sudden death, especially if others have been killed right beside them, will breathe a trembling "Thank-you" to God.

Gratitude and Happiness

When Jesus said to the one grateful man, "Your faith has saved you," he was using a word that means to restore to full life. There is a hint here that gratitude is a flower whose root is faith. Also there is a hint that the thankful mind is the happy mind. People who go through the world convinced that the world owes them a living, people whose prayers are mostly "Gimme," are likely to be a little sour. The world does not give them the lush living they want. God does not answer their prayers when and as they fancy he should. So a seed of unhappiness festers in their minds. But if a man will think every day what he owes to God and to man, if it really dawns on him what a debtor he is, his mind will be bright. All this—for me? he will think; and the thought will be a seed of happiness blossoming under sun and cloud. Time spent in being grateful—in living-out gratitude, is never wasted. It is a mark of the healthy mind and spirit.

Illinois Quota to Fight Cancer is \$1,450,000

Reaching for the highest sum in its history, the Illinois division of the American Cancer Society has set its sights on a \$1,450,000 target for the April, 1956 Cancer Crusade.

Drummond C. Bell, state campaign chairman and vice president and personnel director of Montgomery Ward & Co., announced that the Illinois share is part of a \$26,000,000 national goal.

Goal for the Suburban Division which consists of five suburban Chapters of the Society in Cook County will be \$1644,230. Volunteers in the suburban division will meet their goal by organizing into armies of Cancer Crusaders who will conduct a house-to-house canvass of each neighborhood in April.

Bell pointed out that the goal is larger this year to enable the society to expand its programs of attack. "The sobering fact that cancer kills approximately 685 Americans every

day, indicates the vast amount of work still left to be done by the American Cancer Society," Bell noted. "The rising overall incidence of cancer in this country continues to be due largely to the fact that the span of human life has been considerably increased in recent decades. People are living longer and thus reach an age when cancer is most likely to strike them. But largely through the Society's programs of research, education, and service, there are approximately 400,000 persons in the country living today who have been cured of cancer. In 1955, about 80,000 persons were saved from cancer, including 10,000 women who would have died from it 10 years ago."

Minds are like parachutes—won't work unless they're open.

Everyone Can Draw or Paint Artist Tells Group at New Lenox

Mrs. Bernarr Sheeler, a commercial artist of New Lenox, was the speaker at the Evening circle meeting of the Methodist church at New Lenox.

Mrs. Sheeler stated that every one can draw and paint, and that the most important requirements are patience, good memory and perseverance. She pointed out that as painting is the individual's own impression of an object, it should not be copied, and that oil painting is easier, as mistakes can be covered.

The speaker stated it was advisable to cut a 3x4 inch hole in a piece of paper using that as a guide of what to paint so as not to clutter the appearance with

too many objects. She showed two of her paintings of identical objects done in water color and oil for comparison.

Mrs. Lester Koerner read a Bible story for the devotion.

The circle will sponsor a chili supper March 22 and the committee for it is made up of Mrs. Louis Tuvrog, Mrs. Charles Kerr, Mrs. Eugene McGovney and Mrs. Lawrence Carlson. Cookies with recipes were sold during the afternoon.

Mrs. Fred Reinert, Mrs. Howard Hull, Mrs. Paul Beedle, Mrs. Edward Seivert and Mrs. James Sampson were guests. Hostesses were the Mesdames Roy Fitzer, Lawrence Carlson, Herbert Nelson and Robert Burger.

TINLEY GIRL SCOUTS

The Orland Park Parent-Teacher association will sponsor a skating party for elementary school children tomorrow night, Friday, Feb. 3, at 7:30 o'clock in the Orland Park school gymnasium. Grade school children of the community and their parents are invited. Members of the PTA will serve as chaperones for the party.

The five year membership guard was awarded to Mrs. Irwin Johnson and Mrs. Harold Herre.

Adult investiture was conducted with an impressive ceremony for the following workers: Mesdames Burklow, Owens, Mancl, Rockrohr, Schooley, Suhs, Graff, Gillaspie, Verhage, Fulton and Bruckbauer.

February 28 is the date set for the next Neighborhood meeting.

SKATING PARTY

The Orland Park Parent-Teacher association will sponsor a skating party for elementary school children tomorrow night, Friday, Feb. 3, at 7:30 o'clock in the Orland Park school gymnasium. Grade school children of the community and their parents are invited. Members of the PTA will serve as chaperones for the party.

Dew Drop Camp, RNA, Holds Its Annual Installation of Officers

Officers of the Dew Drop camp No. 2023, Royal Neighbors of America, of Tinley Park, were installed at their meeting Jan. 24 in American Legion hall.

In charge of the installation were a group from Mokena, Mary Bottema, installing officer; Erna Schoeneck, ceremonial marshal; Edna Clark, assistant ceremonial marshal. Other installing officers were from Tinley Park: Ethel Shawyer, chancellor; Birdie Mancke, musician; and Francis Webster, inner sentinel.

Mary Bottema presented each of the above with a corsage and an orchid was given to Helen Johnson retiring officer and to the incoming officer, Lottie Rasmussen, by the camp officers.

Installed were Lottie Rasmussen, officer; Helen Johnson, past officer; Leila Moss, vice officer; Gertrude Jacobs, recorder; Creta Keuch, receiver; Mathilda Hagen, chancellor; Helen Chapman, protom for Gladys Reder, marshal; Erna Schoeneck, assistant marshal; Mae Larson, inner sentinel; Edith Arnold, outer sentinel; Dell Waldron, musician; Blanche Kaufman, substituting for Lulu Anfield, flag bearer;

Edna Clark, degree staff captain and Lulu Wilken, manager. They were escorted thru arches of gladioli made by the Graces as they were presented for installation.

Graces installed were Freida Roth, Faith; N. Kunz, protom for Mary Bottema. Courage; Esther Nitsche, Unselfishness; Anna Dull, Modesty and Wanda Cloud, Endurance. They were presented Colonial bouquets in colors emblematic of their office.

The new oracle spoke briefly on the merit of the order. Also each installing officer spoke briefly extending their good wishes for the success of the camp, followed by the distribution of gifts.

Gladys Reder and Adele Pottberg were reported ill and Erna McLosa gave a special audit report. Blanche Kaufman received the evening's award. Compliments were showered on Mary Bottema and Erna Schoeneck for their efforts put forth in decorating the hall. Refreshments were served by Claire McLain, Louise Goessel and Violet Hultsch.

Announcement was made that the next meeting will be a Valentine party and all members were asked to bring a valentine. The new officers will be hostesses.

(SIU) The first recorded murder of one white man by another one occurred near Reed's Creek in the western part of Jackson county in 1802. A man named Jones killed another named Reed and then fled to Walker Hill at Grand Tower. Plan Painting Courses at Palos Center

Classes in painting sponsored by the educational department of the Community Center Foundation, 127th and Southwest Highway, Palos Park, will start Feb. 14 at 7:30 p.m. They will meet for ten consecutive Tuesday evenings, continuing thru April 17. Instruction will be given in the fundamentals of painting including perspective, value, color and composition.

The course will also include introduction to the various media such as water color, casein, and oil. There will be sketching from models and some special sessions for outdoor landscape painting will be arranged in the spring when the weather permits.

Instructors will be Mrs. Marvin Kutchinski of Palos Heights and Mrs. Howard Fish of Palos Park, who are qualified in both artistic and teaching fields. Mrs. Kutchinski studied at the Art Institute of Chicago where for several years she was a pupil of the famous painter George Buehr. Mrs. Fish holds a degree in art education from the University of Wisconsin.

Coming up are a buzzer that warns pedestrians when a car shifts into reverse, a control which permits the driver to set his speed and maintain it without keeping his foot on the gas pedal, and a tail light which starts blinking STOLEN in three-inch red letters when any unauthorized chappie starts driving the car away.

MARLEY

Mrs. Virginia Sass
New Lenox 3133

Mrs. C. F. Haley celebrated her 98th birthday anniversary in her home Friday, Jan. 27. With her for the occasion were her two daughters, Mrs. W. B. Storm of DeKalb and Miss Agnes. Although no special celebration had been planned, about 35 friends and relatives called to

greet Aunt Libby during the afternoon and evening. She received over a 100 birthday cards for which she is most grateful, and also three long distance telephone calls from Mrs. Alice Dexter and Mr. and Mrs. Bruce Storm from California and from John Cooper of Niagara Falls, N. Y. She remarked of the clarity of their voices, "just like they were next door!"

Mrs. Haley has been enjoying good health this winter. She is able to be up and about in her home and likes to "keep up" with the affairs in the community. She reads moderately and likes to listen to the radio, especially when there are church hymns on the program. Although she has been unable to attend, she is always deeply interested in the activities of the Marley church. She is fond of having folks drop in for a chat and they are usually well rewarded by her keen memory and sense of humor and perhaps a piece of mince pie. She is already looking forward to next year and her 99th birthday.

A 3-c Clarence Troutman is spending a furlough in the home of his parents, Mr. and Mrs. Clarence Troutman Sr. He has completed his basic training with the air force at San Antonio, Tex. He will report at Amarillo, Texas Feb. 8 where he will attend a Jet mechanic school for 14 weeks.

Mrs. Charles Elliott is spending several days with friends in Arizona.

Mr. and Mrs. Stanley Coe were supper guests Sunday evening of Mr. and Mrs. Walter Corp and family at Plainfield.

Mr. and Mrs. Loren Sass and daughter Verda Jo attended the golden wedding of Mr. and Mrs. John Smith at St. Mary's hall in Plainfield Sunday afternoon. Members of the Homer Woman's club are invited to be guests at the February meeting of the Marley church Thursday afternoon, Feb. 9. The hostesses will be Mrs. Eugene Anderson and Mrs. Charles Ingram. The meeting will begin at 1:30 o'clock.

Mrs. Stanley Coe attended the annual Herald-News cooking school at the Rialto theatre in Joliet this week.

The Rev. Herschel Asetline has chosen "The Great Commandments" as his sermon topic for this Sunday, Feb. 5. The Freeman Fellowship will meet at 8 p.m.

LETTERS TO THE EDITOR

Marley Road

Sir: On behalf of the citizens of the Marley community may I express our appreciation of the coverage given by your paper to our problem of a western road outlet. We are happy that our need has been recognized and that we can anticipate an early end to our "dead-end" existence.

As for future developments, we sympathize with those who want a straight road thru to Highway 6. Normally the shortest distance between two points is a straight line, which is to be preferred, but in view of local conditions this could only be achieved at considerable extra cost to the taxpayers and even in this age of playing fast and loose with the taxpayer's pocket-book such a course could hardly be considered justifiable. (Incidentally, when the Marley Downtown association completes its promotion of the new "State Street" no one will want to go beyond its array of such well-known firms as Marshall Field of Chicago, Saks Fifth Avenue of New York, Claridges of London, et alia!)

Since the original purpose of our public meetings has been achieved it has been decided that further meetings would only be an aggravation and it so the meeting scheduled for Jan. 27 was cancelled.

Sincerely,
HERSCHEL E. ASETLINE

Sir: One point on the Bricker amendment confuses many people. It is that to be the supreme law of the land, acts of Congress must be "in pursuance" of the Constitution, whereas treaties need only be "under the authority of the United States."

Therefore a confused Supreme court has held that a treaty need not be in pursuance of the Constitution.

The explanation is this: The United States existed before the Constitution was ratified, a period of 13 years from July 4, 1776. During this time we had entered into a few treaties which the framers of the Constitution wanted to keep in force. Among them was the treaty of peace with England.

Hence the language "under the authority of the United States" was used to protect the validity of these early treaties. But after the Constitution was ratified, all subsequent treaties, to be legal, had to be in pursuance of the Constitution for that was the only "authority" the United States had to act from that time on.

It is because the Supreme court overlooked this point that it held that treaties subsequent to the adoption of the Constitution do not need to conform to it.

This has given the President and two-thirds of the senate, or in the case of executive agree-

ments, the President and a foreign politician, the power to rewrite or destroy the Constitution itself.

This is why the Bricker amendment should be adopted. SAMUEL B. PETTINGILL, Evanston, Ill.

EDITOR'S NOTE: The committee for Constitutional Government will supply, to all readers who request it, one free copy of Sen. John W. Bricker's statement, "Essentials of A Sound Treaty-Making Policy," Spotlight No. E 333-334, analyzing the issues involved in the Bricker Amendment. Write to: Committee for Constitutional Government, Inc., 205 East 42nd Street, New York 17, New York

Group Makes Tour of Poultry Set-Up

A group from Mokena, Frankfort, Tinley Park and Orland Park toured the poultry operations of Honeggers & Co., at Fairbury and Forrest, Ill. last week. The trip was arranged by

Marvin Cooper, local distributor of the company's products at Orland Park.

Besides Mr. Cooper, those who made the tour were Mr. and Mrs. Raymond Meier, Emil H. Bornet and LeRoy Bornet, of Orland Park; Fred Brown, Stanley L. Brown, Richard Erickson and Charles Erickson of Mokena; Earle Bettenhausen, Warren Schultz, Irwin Hoyer and Owen C. Maue, of Tinley Park and Herman Kuse and Frank Fleck of Frankfort.

Ford Publishes Book on Highway, Traffic Problems

A "how-to-do-it" community guide to improve highway and traffic conditions has been published as a public service by Ford Motor Co.

Titled "Freedom of the American Road," the 120-page volume contains actual case histories of what many local communities and states have accomplished in solving traffic

problems, and the stories of the people responsible.

The book is a result of nationwide research by the Ford company assisted by members of leading highway and traffic groups.

More than 200,000 copies are being distributed free to interested individuals and organizations.

The book is divided into three sections, titled "The Highway," "The Traffic," and "The Driver." It contains color illustrations and more than 50 articles.

Through the years there has been but one focus of Red Cross activity—service to humanity. The organization is celebrating its 75th Anniversary this year with pride in a long record of outstanding achievements.

Since it's beginning in 1881, the goal of the Red Cross has been to serve the American People by softening the effects of disaster, suffering, and war.

The maintenance of a standing corps of volunteer nurses ready to help local doctors and nurses cope with emergencies is one of the important jobs of the Red Cross. A total of 650 assignments of Red Cross nurses to major disaster duty were made this past year.

A successful life depends on a working inventory of ideas.

IN MEMORIAM
MILLER, Margaret. In loving memory of our mother and grandmother who passed away Feb. 6, 1955.
The flowers we placed upon your grave
May wither and decay,
But our love for you who sleeps beneath
Will never fade away.
Our hearts still ache with loneliness,
Our eyes shed many tears
God alone knows how much we miss you
As ends the first year.
DAUGHTERS DORIS, LORAIN, JUNE and FAMILIES

Airman 3-c Edwin Rogus has completed his basic training at Lackland Air Force base, San Antonio, Texas and is home on a 10 day leave. He will resume duties at Cheyenne, Wyo.
Raymond Martin Spangler, infant son of Mr. and Mrs. George Spangler of Oak Park avenue was baptized Sunday in the Tinley Park Methodist church with the Rev. Glenn Ames officiating. Mr. and Mrs. John Morehouse of Harvey were sponsors. Following the ceremony a dinner was given in the Spangler home for 12 guests from Chicago and Harvey.

Pvt. Gerald Burleson, 35th Engineering Bat. U. S. army stationed at Kitzinger, Germany is home on a 50 day furlough, visiting his mother, Mrs. Arthur Rasmussen.

George Powers was a weekend guest of his grandmother, Mrs. Rose Dillon in Chicago.

Mrs. Fred Nitsche entertained her pinocle club at dinner in her home last Wednesday. Of course pinocle was the evenings entertainment with all present receiving a prize.

The Ladies Auxiliary to the VFW Post 2791 will meet Feb. 7. Special guest will be the 3rd district vice president.

The Kirby Community school club will meet in the home of Mrs. Arthur Bettenhausen Feb. 7 at 8 pm.

Mrs. Willis Guth and son David had a joint birthday celebration Sunday, Jan. 29. Present for the festivities were Mr. and Mrs. Harry Douglas, Mr. and Mrs. George Bowman and son Donald, all of Chicago, and Mrs. Guth's parents, Mr. and Mrs. Harry R. Douglas of Tinley Park.

Mrs. W. F. Childs and Mrs. John Szaton attended the funeral of their father, Lewis Lewis, Jan. 21 in Charles City, Iowa. Mr. Lewis had been ill for several months. Mrs. Lewis is spending a few weeks with her daughters in Tinley Park.

John Manning of Sayre avenue was involved Tuesday morning in a seven car collision on Cicero ave. near Oak Lawn. There was a very dense fog which reduced visibility. Fortunately Mr. Manning was not injured but his car was wrecked.

Mr. and Mrs. Burley Anfield have returned from Miami, Fla., where they were called by the serious illness of her brother, Daniel Sparks.

Mr. and Mrs. Ralph Curtis are the parents of a daughter, whom they have named Terri Ann. She was born Jan. 13 in Wesley Memorial hospital in Chicago and weighed 5 lbs., 6 oz. Equally proud is Larry, her 2 1/2 year old brother.

Martin Reed was five years old Friday, Jan. 27 and in honor of the occasion he had five of his little friends to help him celebrate. They had a wonderful time, enhanced by party fare of ice cream and cake.

Lowell and Joseph Farquhar attended the funeral Jan. 30 of their aunt, Mrs. Belle Jones, at Cypress, Ill.

The N.Y.P.S. of the Nazarene church had a bowling party in the Frankfort Bowling alley Saturday afternoon, Jan. 28.

4H News
The Orland Boy's 4H club met in the Maue school, Monday evening Jan. 23. Two new members, Michael Treibe and Tommy Kozbiel, were welcomed into the club. Plans were made to have induction ceremonies for this year's new club members.

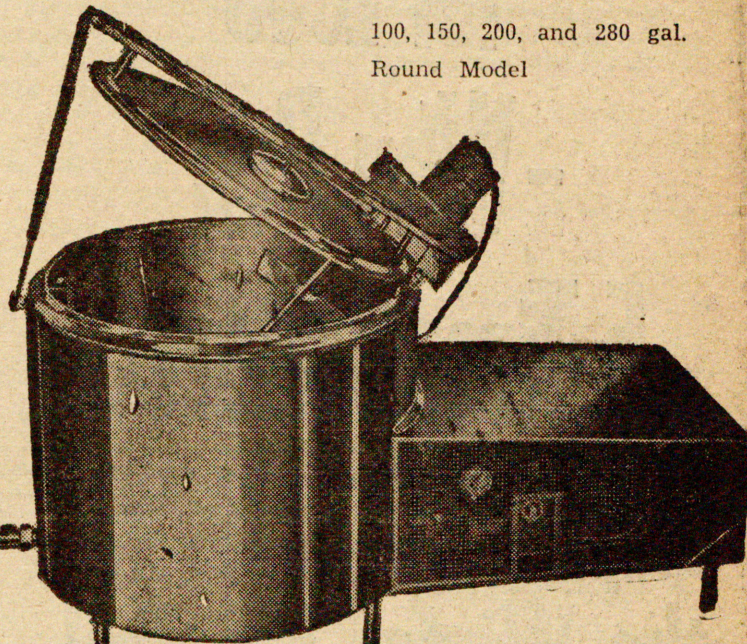

The appointing of committees for the various activities was discussed and approved. Arthur Maue, program chairman, appointed a committee of three, Paul Johnson, Laurence Lauffer and Ronald Fandrey, to serve as sargents at arms. The 4H constitution also came up for discussion. Arthur Maue reported on the federation meeting which he and Bob Stellwagen had attended as delegates of the club.

Arthur Maue gave a talk on beef and Walter Reeves on picking a project. Following the program, recreation planned by chairman, Duane Erickson and Bob Stellwagen, was enjoyed.

Refreshments were served by Robert Stoutenour. Larry and Walter Reeves. —Walter Reeves, reporter.

Statistics show that the greatest one-year tonnage ever taken from a bituminous coal mine in West Virginia was 2,144,046 tons mined in 1954 in the Itmann Mine of Pocahontas Fuel Co., Inc., located in Wyoming County, W. Va.

McCarthy Mission

Makes Report On First Quarter
Peter McCarthy, head and founder of the Peter McCarthy Morning Star mission made a report to his trustees yesterday on activities for the past quarter. The meeting was held in the form of a luncheon at the Hotel Louis Joliet.

The report covers the past three months which make up the first quarter of the 47th year on the mission calendar. It shows 63 conversions; 978 free meals served; 452 persons provided with free lodging and 171 persons furnished with clothing without cost. Twenty-one families were given relief and 74 persons stranded in Joliet and other localities in Will county were provided with bus tickets. Seventy-three dozen doughnuts were distributed to children who called at the mission in the afternoons.

MOKENA

Mokena 3521-4151

The Rev. Dale Kleinschmidt, pastor of the Methodist church and his wife, left Saturday morning for St. Louis, Mo. where he was called by the serious illness of his mother. A fellow student at Garrett Biblical institute preached in the church Sunday morning.

Mrs. Alma Hauck spent the weekend with her son Norman and family in Blue Island.

The teachers of the Methodist church will meet with Mrs. Ray Westlund Friday evening.

Mr. and Mrs. W. H. Pitman plan to leave Feb. 9 for a two weeks visit in Miami, Fla. with her daughter, and other relatives.

Youth week was observed at the Park View Baptist church Sunday evening when the young people's society of the church, under the direction of Wesley Schultz, conducted a special program of music and sermon. The 14 members of the society presented musical numbers, bible readings and talks were given on the meaning of Christian living, the main topic being, "This Is Your Life." A pleasant surprise occurred when their friends, the Rev. and Mrs. Bob Rumball, stopped in and spoke briefly. The Rev. Rumball is a missionary pastor in Canada and a professional football player with the Toronto football team.

Mrs. Charles Florey, who has been suffering with a rheumatic heart condition, was removed to Silver Cross hospital Saturday where she is receiving special treatment.

The Wayfarers conducted a card party in the Edward Bruening home on Woodland circle Saturday evening. There were 56 members and friends present who enjoyed playing pinocle, buncos and canasta. Prizes were awarded the winners and later refreshments were served. The club will hold their next meeting in the educational room of the Methodist church Feb. 11.

Mrs. John C. Hubler, 11400 W. 195th st. who has been a patient in Silver Cross hospital for several weeks, spent a few days the past week at home. She returned again to the hospital Monday for more treatment.

The older young people's group of the Methodist church sponsored a bowling party last Saturday evening. Following bowling, the group gathered in the home of Mr. and Mrs. Robert Cupp where a surprise party was held to honor the birthday of the Rev. Dale Kleinschmidt.

The Couple's club met recently in the Methodist church and enjoyed greatly the talk which the Rev. A. Sorensen, chaplain of Stateville, gave. His description of life at Stateville was informative and most interesting. A good attendance was present. Mrs. Gustav Landahl entered

Silver Cross hospital this week as an observation patient.

Elect Co-chairmen In Dairy Campaign

Co-chairmen for the Illinois June Dairy Month Campaign have been elected. They are Ben A. Stritz, assistant manager of the Beatrice Foods Co., Champaign, and Richard Cech, public relations director for the

Pure Milk Association, Chicago. Cech will head the program for the Chicago Metropolitan area and Stritz for the balance of the state.

Milton Geuther of Mokena, manager of the American Dairy Association of Illinois, announced the appointments. The association serves as headquarters for June Dairy Month.

Plans for a month-long merchandising program for all dairy

foods are in the process of being organized, Geuther said. Every effort will be made to enlist the support of all dairy groups, retail food outlets, restaurants and any other organizations which might be helpful in boosting sales of dairy products.

I've looked high and low and all over the place. In boxes, in books, 'til I'm blue in the face. Under beds, under tables, and every chair. But I can't find that book, no—nowhere. I tried hard to think where last I had seen it. Not in the dresser—but I had to check. I'm just at a loss, now where could it be? I finally quit, and straightened the room. Swept out all the dust with my old broom. Mopped up the floor, my mop is a mess. Sure need a new one, have to get one I guess. The handle is o.k., its the mop that is worn. But that is no wonder—it's a towel and 'twas torn. I'd get a new one, but they're all too thick. 'Twould be like dragging a weight, at the end of a stick. If I don't end with this verse, I'll run out of rhyme. So this will be all, 'till another time.

Bremen Cagers Win 2 Games From Knights

Second Quarter Fatal to Hopes of L-W in Varsity Encounter

Denny Wheeler
The Lincoln-Way varsity played a single game last week-end on Friday evening in the Bremen gym. Once again it was a story of one bad quarter, as a 29-7 second period provided Bremen with a 75-55 victory.

The Knights got off to an auspicious start as they held Bremen almost even during the first quarter. Dan Wondrasek and Red Wade whipped in 10 points between them and a free throw by Studnicki gave them a 11-11 tie at the end of the first quarter.

However, in the second frame the Braves went wild as the Knights defense crumbled and raced off to a 40-20 halftime lead. From that point on the Knights played good steady basketball, but it was too late.

One encouraging statistic was the fact the Knights outscored Bremen 25-16 in the final period.

Red Wade led all scorers as he lobbed 25 markers thru the strings. Bill Lindsay of Bremen, who scored 34 points in the team's previous meeting, took second honor with 20 cord smashes.

On Saturday morning the Knights engaged in a junior varsity contest at Carl Sandburg. This game consisted of juniors on down, mainly for the purpose of testing the teams of future years. The Knights celebrated their first game by edging the Eagles 48-44 in a real thriller.

Down 42-39 in the fourth quarter, the Knights caught hold as Ron Studnicki and Ron Fredin each dropped a pair of charity tosses and Red Wade added another. This gave them a 44-42 margin and they were never headed.

Morrie "Red" Wade poured in 24 markers for the victors and D. Wheeler added 10. Ron Knakmuhs turned in an effective rebounding job while Ron Studnicki, Stan Bruns and Ron Fredin controlled the back court play. The junior varsity is slated to play one more game with Reavis later in the season.

The Lincoln-Way frosh-soph squad took it on the chin from Bremen frosh-soph crew 62-30.

The Knights found a lid on their basket in the first half and were down 33-8 at the intermission. Despite a creditable second half, the game was already decided and the final count stood 62-30.

Dave Zechlin led the little Knights with 8 points. Hank Jensen and Eddie Donaldson were next with six each.

On Friday and Saturday, the teams are scheduled to meet Rich Township and Carl Sandburg in that order. Although the Knights were mauled 90-45 by Rich, they almost beat Sandburg, losing only 52-45.

As the old proverb states "while there's life, there's hope." So maybe this will be that big week-end they've been waiting for.

Bremen Drops Mat Matches to Cards, Bloom

The Bremen high matmen dropped their fifth match in 13 starts to the Blue Island Cardinals, 1955 state champs, 27-18 away Friday, Jan. 27.

After building up a commanding 16-0 lead in the lightweight 135 lbs. Bremen lost seven of the remaining eight matches.

Suffering his first set-back in 13 tests of speed and strength, Mack Jerkatis, 138 pounds, was edged out 6-4 by Jim Yost.

In another close bout, Joe O'Brien dropped a decision to Chuck Ridgner on riding time. Bill Moore squeaked by Bob Fiddler 5-4 in a 134 pound tussle.

Mokena Ponies Hold Loop Lead

The Mokena Meteors, swept to their seventh straight conference win Friday by running over Manhattan with a score of 40 to 8. The victory enabled Mokena to remain the only undefeated team in the light division and cemented their hold on first place. The games were played at Mokena.

Manhattan provided stern opposition for the first half of the contest but then superior shooting ability paid off as Schuldt and Kruzich turned the game into a rout by scoring nine baskets between them. The half ended 14 to 6 but Mokena scored 26 points in the second half while their defense limited the opposition to only two points. Kruzich led all scorers with 16 and Schuldt followed close behind with 12 points.

Manhattan's undefeated heave continued unbeaten although seven of their sternest test of the season by a hard fitting Mokena team. The score was 44 to 31 and the victory assured Manhattan of at least a first place tie since second place is now shared by Mokena, Laraway, and Frankfort, with identical records of 4 and 3. The first quarter ended with Manhattan on top 9 to 6. This lead was increased to 18 to 11 at the half. Mokena managed to fight back in the second half and shave the lead to 3 and 5 points on several occasions only to have Manhattan take charge once again.

The final quarter was a furious one with Manhattan edging the hosts 16 to 14. Evidence of the spirited play is seen from the total of 32 fouls called against both teams.

Mokena travels to Frankfort tomorrow night for a return game that will go a long way toward determining the final conference standings. Frankfort's lights have lost only 2 games so pose a definite threat to Mokena's unbeaten string.

Mokena and Frankfort share second place in the heavyweight section so the result of that game will also be of importance to both teams. The first game starts at 7:30.

Braves Wallop Argo Quints in Double-Header

By Al Rodger
Coach Brown's Bremen Braves defeated the Lincoln-Way Knights in a home game last Friday evening to the tune of 75 to 58 and Saturday evening the Bremen Braves returned to their home court to take a twin bill from Argo. The varsity won 67 to 53 and the frosh-soph edged out a 50 to 46 win.

The high scores for the varsity were Bill Lindsay with 18 points, Borms 16, and Graham with 15.

The game was close throughout, but the Braves pulled away in the last quarter.

Rich Takes Sandburg Varsity Five 72-55 to Keep Record Clean

During the past week-end the Eagles of Coach John Jorstad of Carl Sandburg defeated Minooka 78-64 while losing to league leading Rich township 72-55.

On Friday night the Eagles could not cope with Rich's height advantage and went down to their second conference defeat, Lee Marten led Sandburg's scoring with 16 points and an extremely fine shooting percentage for the night. Don Gee added 13 points and Gee and the rest of the Eagles did a good job of rebounding against the taller Rockets. Ron Wein-gartner's inability to hit from the field was detrimental to the Sandburg cause, as he came up with only five points for his poorest scoring effort of the season, about 15 points below his previous game average.

A slow start left the Eagles trailing 19-8 at the end of the first quarter, and this deficit was never made up.

The Sandburg trounced the Minooka five 78-44 on Saturday night with Weingartner pouring in 24 points to lead both teams in scoring. Don Gee hit for 20 points for the Eagles, and Dave Andersen added 16.

This coming week-end will find the Eagles as hosts to Reavis on Friday (tomorrow night), and traveling to Lincoln-Way on Saturday night, for two conference games.

The fresh-soph cagers of coach Bill Adams lost a heart-breaker to Rich 40-37.

The game was close all the way.

The Rich frosh-soph seemed inspired and very anxious to avenge a previous loss to the Sandburg five (their only conference loss), 37-33. The Eagles lost part of their height advantage when Mark Hill fouled out of the game.

Al Kara led the Sandburg scoring with 13 points, and Bernie Partoll added 10. Other Sandburg scoring was done by Pat Ford with seven points, Hill five, and Rich Aird with two.

Sandburg and Rich now share first place in the frosh-soph division of the Southwestern Suburban league.

The young Eagles found their winning ways again on Saturday night, as they rocked the Minooka team 62-41.

Bernie Partoll led the Sandburg scoring attack with 13 points, aided by Hill, Aird, and Kara with 11 each. Ford hit for 8, Dick Rusanman 4, and Ted Allen and Jay Morlock two each.

This was the Eagles' 12th win of the season against only two losses.

The Eagle grapplers of Coach Joe Devine lost to Morgan Park M. A. in a closely contested match 27-19, and defeated Evergreen Park in a conference match 36-16.

The M. P. M. A. match was actually closer than the 27-19 score indicates, as M. P. won several close decisions over Eagle grapplers.

Eagle winners by pins were: John Janulis and Steve Johannes, while Bill Pfersdorf and Warner Semetis won decisions over their Morgan Park opponents. Bill Dumney wrestled to a draw with Ellis of Morgan Park.

Against Evergreen Park, the Eagles swamped their opponents 36-16. Winners by pins for the Eagles were Janulis, Pfersdorf, W. Semetis, Johannes, Al Jacklich and Dumney. Other Sandburg winners were Bob Blaha and Bob Chatlosh.

This was win number nine against nine losses for the Eagles. John Janulis and Bill Pfersdorf each won their 4th match of the season, and Warner Semetis won his 13th.

23 Members of L-W Varsity Football Squad Receive Letters

Frankfort Youth Rolls for County In Pin Tournament

Twenty-three members of the 1955 Lincoln-Way varsity football squad have received their letters. Letters also were awarded to five members of the cross country team.

The football letters were given out by Coach Jonas Lashmet while the presentation to the cross country team was made by Paul LaVinn, who coaches that sport.

In the spring formal certificates will be handed to these letters as well as to others who have or will have won them in other sports. The formal awards will be made at a dinner attended by all the athletes of the school. The date for this event has not been set.

Nine of the varsity football team to get letters are seniors; the other 14 are juniors. With 14 juniors and members of the frosh-soph squad of last fall who are able to make the varsity, Coach Lashmet will have some experienced men with which to work and Lincoln-Way is expected to give trouble to its conference foes next fall.

Seniors who received letters are: Lloyd Dodds, Sparky Hask, Bill Heidrich, Ron Hughes, Fred Madsen, Jerry Moede, Jim Staley, John Weber and Bill Bolker, manager.

Juniors who got letters are: Jim Anderson, Richard Bailey, Ken Case, John Duer, Herb Folkers, Less Gullicksen, Bill Harris, Bob Hermann, Bill Noe, Richard Storm, Ron Studnicki, Morris Wade, Jim Warning and Dan Wondrasek.

Members of the cross country team who received their letters are: Mark Schellenberg, LeVerne Mark, Dan Bruns, Jerry Collins and Tom Rowsell.

The Lincoln-Way cross country team won the Southwest Suburban conference championship last fall.

Frankfort Wins Double-Header

Frankfort grade school basketball teams registered a double win last Thursday night over New Lenox.

The Frankfort heavies won 28 to 13 while the lights came out on top of a 16-14 score, reminiscent of former days when the slow break and stall featured play.

With the lightweights contest, however, the low score was the result of both teams having been cold in their shooting. As it turned out New Lenox was coldest. New Lenox led 10 to 6 at halftime.

Jim Schofield with nine points and Duane Warning with seven were responsible for total of 16.

In the heavyweight contest Dave Robinson was highpoint man for Frankfort with 14. Frankfort ran up a comfortable lead in the first half of the heavyweight tilt, 18 to 6, and then cooled off in the second half in which they made 10 points and New Lenox seven.

The score by quarters:
Lightweights
Frankfort 6 0 2 8-16
New Lenox 6 4 2 2-14
Heavyweights
Frankfort 8 10 3 7-28
New Lenox 2 4 2 5-13

Reavis Plows L-W Grapplers Under-and Deep!

By Don Lehmann
Reavis was host to the Lincoln-Way wrestling team in a Southwest Suburban conference match last week and a more inconsiderate host could not be found. Reavis not only defeated Lincoln-Way but sent the visiting team home pointless. The score was Reavis 50, Lincoln-Way 0.

In the closest match of the evening, Woody Zitter lost a very tough 7-6 decision. Entering the third period, Woody was trailing 6-2. An escape, takedown, and a predicament gave Woody four points to tie it up at 6-6, but time ran out before he could get any more points. His opponent had just barely accumulated enough riding time in the first two periods to get an extra point.

Wrestling in the 127 pound class Virgil Hammond lost his second straight match by two points. Valdez beat him, 8-6. John Weber, who had been undefeated since losing his opening meet match, finally lost, 8-3.

Reavis will wrestle Lincoln-Way again today, Feb. 2 at Lincoln-Way, and Lincoln-Way vows vengeance. Lincoln-Way last meet of the season will be at Sandburg, Feb. 6. The Knights hope to avenge an earlier defeat.

ORLAND PARK

Mrs. Sherman Knox
Orland Park: Fieldbrook 9-0211

Orland Boy Scouts, troop 251, will go for an overnight outdoor camp Feb. 3, 4, 5, at Camp Roe, south of Park Forest. Scoutmaster Joseph Kaiser, George Flondor, president and Boy Scout committee and John Taylor will accompany them.

The Orland Home Bureau met Friday evening, Jan. 27 in the home of Mrs. Eric Enblom. The lesson on decorating homes and how to use new type paints and new type paper was given by Mrs. Clara Dehl Upham, home advisor. The College of Agriculture University of Illinois, has just ended their Farm and Home week, held Jan. 29 to Feb. 2.

Mrs. Kenneth Paris, daughter of Mr. and Mrs. Joseph Kaiser of Orland Hills, plans to leave Feb. 10 to join her husband, 1st Lt. who is stationed in Bamberg, Germany.

The Sunshine Maids met recently in the home of Miss Lillie Mattson, conducted by the new president Barbara Bezek. A demonstration was given by Susan Davidson, Janet Enblom and Joanne Reish, on how to make Brownies. The sewing projects will begin next month. In handicraft the girls are working on flowers made of a starched material. Refreshments were served by Pamela Hodges and Virginia

Cosentino. The next meeting will be held at the home of Jean and Joan Flondor.

Orland Park Unit 526, the American Legion auxiliary, will meet at the home of Mrs. Emily Zerbs, Friday evening, Feb. 10 at 8 o'clock. All members are urged to attend. The 1956 dues are in order, and those who have not as yet renewed their membership, can do so at this meeting.

The Orland Park Woman's club have made reservation with Southmoor Country club for their annual spring luncheon in May. Plans have also been made for a style show.

About 20 members were present at the Orland Park Methodist WSCS meeting Jan. 26 held in the home of Mrs. Stewart Loebe. Mrs. Gladys Gore of Morris was a guest.

The Day circle met in the forenoon, members sewed on the Junior choir robes. It was suggested that carpet rugs be worked on thru the year and that this be a project for the whole WSCS.

Luncheon was served at noon by Mrs. Stewart Loebe, Mrs. John Loebe and Mrs. Matt Ludwig. The regular meeting of the WSCS followed the luncheon with Mrs. Stewart Loebe conducting the devotions. Wesley Hall formerly the church annex, will be in the process of remodeling, changing some of the rooms and when completed, there will be a kitchenette with the necessary equipment. Mrs. H. Adele Cooper gave an excellent report on the semi-annual meeting of the WSCS of the Rock River conference 15th anniversary, held in the Chicago Temple, Jan. 13. Mrs. Harvey Cooper and Mrs. Elmer Newton also attended.

Plans have been made for the Boy Scouts annual potluck dinner, which will be held Sunday, February 12 from 4:30 to 7:30 p.m. in the American Legion hall. There will be a display of handicraft work made by both the scouts.

Rev. Robert Plastow, Mr. and Mrs. Stewart Loebe and Mr. and Mrs. Robert Metzger accompanied the sr. group MYF of the Orland Park Methodist church, Jan. 29 to the Chicago Temple where they had their evening service. A tour of the temple followed the services.

Mrs. Niebrugge's lovely mother, Mrs. Frank Rock who has been caring for her newly arrived granddaughter, Laura Lynn, has returned to her Chicago home. Mrs. Rock spent last week at the Niebrugge home.

Our neighbor, Thomas Verhagen, has had a busy week. Tuesday he flew to a business meeting in Cincinnati, Ohio; the 28th and 29th he was in Detroit, Mich. for the N.F.A. (National Food Association) convention. This was a nation wide meeting with representatives from Canada attending. The men met to exchange ideas on food.

Through the efforts of Jack Nelson we have some unique street signs for this area. Weather permitting they will be erected soon.

YOUTH SPEAKS

Pupils Give Show

An amateur variety show was given Jan. 23 in the Tinley Park school gymnasium. Auditions were held in the music room on Jan. 17 and 18.

Twelve acts were chosen. The judges said that all of the acts were good but they could have only twelve because there was a limit to the time.

The judges were: Mike Johnson, Marvin Jensen, and Bob Jirka. The master of ceremonies was Tom Blount.

Each child was given a program before entering the gym. At the end of the Amateur show they crossed out the three acts they considered the best. The ballots were counted and the returns were announced Friday, in manners class.

The winners were as follows: 1st Joanne Buchlaar, Sharon Jochum, Kay Swisher, instrumentals and songs; 2nd, Mike Goebel, piano and 3rd, Judy Nugent, hula dance.

Student Council

By Lynda Nelson

The student council of the Tinley Park school held a meeting in the gym of the school, on Jan. 13. Gregg Nelson the president, presided over the meeting. The student council and representatives held the meeting to present the Code of Conduct to the student body for adoption. Louis Francis, the secretary read the minutes of the last meeting. Bonnie Bettenhausen, treasurer, read the treasurer's report. The 5th through 8th grades were present.

Basketball

By Suzanne Watkins

The Tinley Park school basketball team played against Flossmoor, Friday, Jan. 20, at Flossmoor. The Tinley lightweights won the first game, 19-18. Flossmoor won the second game, beating the heavyweights, 38-17.

Volleyball

John McDaniel Room 201

Wm. Kostecki thought that it would be a good idea to have a volleyball tournament for the 6th, 7th and 8th grade boys and girls. On Tuesday, Jan. 17, the 6th grade boys defeated the 6th grade girls. On Wednesday the 7th grade boys played the 7th grade girls. And on Thursday the 8th grade boys played the 8th grade girls.

Energy consumption in the United States today is at a rate equivalent to 13,000 pounds of coal (nine tons) per person, per year. In Europe, by contrast, the rate is only 5,600 pounds per person, per year.

the FORD V-8

It performs better! Performance made the Ford V-8 the world's best-selling eight over the past 24 years! And the new Ford Thunderbird V-8 is the most powerful eight, at no extra cost, in the low-price field.

It looks better! The long, low lines of the Ford give it a distinctive sports-car flair. Ford's ornamentation gives it a distinctive personality—entirely apart from cars that strive to look alike!

It keeps you safer! Only Ford in its field can offer you Lifeguard Design. It's a whole new family of safety features which are designed to guard you from hazards which cause car-accident injuries.

It's priced lower! In virtually every model that's equipped the way more and more people want their cars, Ford's price is the lowest! A Ford has a lasting value that makes it worth more when you sell it, too!

**Which is your wife
on washdays?**

Let an **ELECTRIC** Dryer do the work on washdays—

Electric heat's the cleanest, fastest, dryest heat there is... and electric dryers cost less!

Hanging up heavy wet wash is one of your wife's most tiresome jobs.

The quick easy way to dry clothes is with an electric dryer. Just put a load in the dryer, set the controls and the wash is dry in about 30 minutes, automatically.

The clothes dry in pure, clean, electrically heated air. Come out soft and fluffy, sweet and fresh. Everything dries the way you want it: damp dry for ironing or bone dry for storing. And even the most delicate fabrics are perfectly safe.

An electric dryer is ready any time you are—day or night, good weather or bad. And you can dry an average home's laundry for about 36¢ worth of electricity a week!

You can own an electric dryer for less than \$2 a week. Installation is little in any home with good wiring.

Electric Dryers Cost Less—no outside vent needed. Automatic—no igniting devices necessary.

Save important money with new share-the-cost installation plan.

If you need new wiring to install an electric dryer, we share the cost with you. Qualified home owners can cut this expense by about half. And you get more than a money saving! The modern wiring that goes with your dryer installation helps improve your TV picture, brightens lights, makes everything electrical work better. And you can install an electric range, water heater or air conditioner (that requires a 240-volt circuit) quickly and cheaply. The Plan is now available on terms of up to 2 years. Your appliance dealer has details.

New Practice Teacher Arrives

By Sheila Bennett
Miss Lois Williams entered Lincoln-Way doors Monday as a practice teacher in home economics. She will be here for nine weeks working with Mrs. Butler and Miss Doubet learning methods of teaching at first hand. She will actually take over the class for two weeks. Miss Williams, whose home is at Monica, Ill., is a senior in Illinois State Normal university and will graduate with the class of 1956. Home economics is her major field of study but she also has a minor in music, being interested both in piano and voice. She will, no doubt, be interested in the music department as well as homemaking.

Miss Patricia Weller, who has been at Lincoln-Way during the past four weeks, will return to the I.S.N.U. campus to continue her studies there. She was asked if her impression of Lincoln-Way and its students had changed since her first interview soon after her arrival. "It has been a pleasure being at Lincoln-Way and working with and knowing the students," she replied and added, "I have enjoyed it very much and would like to thank everyone for all the help I have received. I think you have a wonderful school, and can be very proud of it."

School Official Here
Arthur Adams, assistant state superintendent of schools, will be at Lincoln-Way today, Feb. 2. He will address the Future Teachers of America and the Senior Common Learnings class.

Mr. Adams serves as director of teacher recruitment and heads a statewide drive to interest first rate high school students in the teaching profession. The committee which he directs is made up of representatives from business, industry, agriculture and professional education, all anxious to assist in bettering the condition of the schools in Illinois.

F.B.L.A.
The Lincoln-Way chapter of the Future Business Leaders of America held a formal initiation for all new members, Jan. 19.

Pictures were taken of all the members. The trip to Springfield, to a state F.B.L.A. convention in March, was discussed.

Officers elected for second semester are: president, Ruth Heimerdinger; vice president, Fred Madsen; secretary, Francis Bajonias; treasurer, Jean Bettenhausen and reporter, Violet Teske.

F.H.A.

The Lincoln-Way Future Homemakers of America at an around the world dinner in the home economics room, on Feb. 4 at 5:30 just before the home basketball game with Carl Sandburg. Foods from different parts of the world will be served.

Mrs. Florence Butler, home economics teacher at Lincoln-Way and Janet Korsgaard attended a meeting at Rich town high school. The meeting was held to plan the F.H.A. spring rally to be held next month. All who attended were section officers and their home ec. teachers. Janet is the chairman of public relations, Section 20.

Number Lover's Corner

Due to a bad case of examitis at the close of the first semester, the author was unable to enter last week's number article. Here are the answers to the problems of two weeks ago. Remember?

(1) Mr. Stevens has \$5005, Mr. Smith and Mr. Jones each have \$3755. Mr. Brown has \$2505, Mr. Carr has \$1255, Mr. Robinson has \$5.
(2) The number is 5 1-3. Divided by 4, the answer is 1 1-3; when 4 is subtracted, the answer is still 1 1-3.

Now for a few to struggle with for the present.
(1) Two planes had a race. The first traveled at 180 mph to a pre-determined point and 240 mph on the way back. The second averaged 210 mph thru-out the entire trip. What was the outcome?

(2) How old is Ann? She is 1-6 old as her mother. Her mother's age is divisible by 5 but when it is divided by 2, 3, 4, 6 or 8, there is always 1 remaining.
(3) Seven men decided to dine together every day at lunch provided that each time they were seated in a different arrangement. How many meals did they eat together?

Goodwill Adds Antique Section

Goodwill Industries of Chicago has added an antique and curio department to the Goodwill store at 1500 W. Monroe st., Chicago.

The new department is open to the public on Thursdays, Friday and Saturdays. Hundred of antiques, unusual and interesting articles are on sale. The revenue derived from this department will enable Goodwill Industries to maintain its present employees and go ahead in its drive to employ more of Chicago's handicapped people, according to Morris Mathisen, sales manager.

All material sold thru the Goodwill stores is sorted and repaired by physically, emotionally and mentally handicapped workers whose livelihood depends upon the sale of these articles.

"Disability Freeze" Provision to Aid Many on Social Security

The "disability freeze" provision of the 1954 amendments to the Social Security act now makes it possible for you to protect your social security account while you are disabled according to Cornelius R. Schafer, district manager of the Harvey social security office.

Because the law was written to apply to workers now over 65 (if they became disabled before reaching that age), as well as to younger workers who are now or who may become disabled, thousands of people over 65 are now able to have their monthly benefits refigured to leave out the years which their disability kept them from working.

Prolonged periods of disability in many cases have resulted in the lowering of social security benefits or the loss entirely of them. Under the new "disability freeze" provisions, a worker who has been totally disabled for work for six months or more, with a total disability which is expected to continue indefinitely, can apply to have his social security record frozen as of the time his disability began. Then, when the time comes for figuring up the monthly benefits payable to him at age 65 or to his family in case of his death, the years when he had no earnings because of his disability are not counted against him Mr. Schafer said.

The disability freeze provision does not provide for actual cash disability benefit payments as such. It is more like the waiver of a premium clause in a commercial insurance policy.

In order to qualify for the disability freeze there are seven requirements to be met. Briefly, they are: (1) the disabled person must have worked on social security jobs for at least five of the last ten years, and at least one and one-half years of the three years immediately before the onset of the disability; (2) he must still be disabled at the time his application is filed; (3) he must be under the age of 65 at the beginning of the period of his disability; (4) he must be able to furnish medical proof; (5) he must be disabled for at least six months, before an application can be filed; (6) he must have been alive on July 1, 1955; and (7) he must file an application.

If you have any questions or meet the requirements and wish to file an application, telephone, write or call the Social Security District Office, 15339 Turlington Avenue, Harvey, Illinois. Telephone: Edison 3-1140.

Plastic automobiles and houses are "just around the corner," according to a noted chemical engineering educator and researcher.

"Plastics will be lighter, less expensive, and in many cases more desirable than the materials now being used," explained Prof. Vasilis F. Komarewsky of Illinois Institute of Technology.

He pointed out that the public already is using synthetic tires, plastic furs, and artificial fabrics.

"There is every indication that a great many more products traditionally made of natural materials will be available in plastics in the near future," he said.

Komarewsky stated that one-piece plastic automobile bodies already are in the final stages of development and should be on the road in a few years. "The molded plastic bodies not only will be lighter and more economical, but just as safe as present steel bodies."

One of the features of plastic automobile bodies will be their resistance to damage, he said. The plastic may give with the impact of a blow, but it will return to its former shape after pressure is released.

"I rather imagine these plastic car bodies will give many

husbands great peace of mind. And they won't have to cut down that tree near the driveway, either," he added.

House construction is another area in which Komarewsky expects plastics to assume great prominence. He said that plastics, conceivably could replace most of the natural building materials used in a home today. "Because plastic building materials will be designed to go together easily, labor costs—a large part of the expense in building a house—will be lowered considerably."

Conveyor belts are important in modern coal mine operations, as the Robena mine of U. S. Steel Corp., at Greensboro, Pa., where more than 2.5 miles of belting are in use. More than 5,000 feet are used in the cleaning plant and another 9,500 feet used to carry raw coal to the plant, clean coal to the loading tipples and refuse to the disposal area.

290 EGGS per HEN

New All-time State Record with

DEKALB CHIX

In Missouri, a DEKALB flock averaged 290 eggs for Ernest Schnetzler at Salisbury, establishing a NEW, high record in the University of Missouri's Extension Poultry Record Keeping Program. Schnetzler housed 185 birds, and lost ONLY 7 birds during the year ending August 31, 1955. (3 from mouldy feed.)

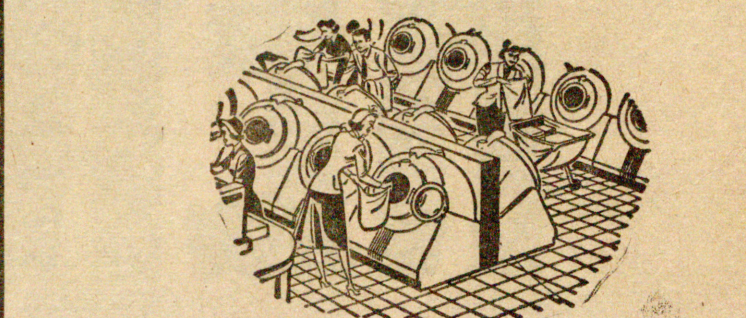

OTHER TESTS SHOW DEKALB CHIX SUPERIORITY

DEKALB CHIX won the first Texas Random Sample test with the earliest maturity; the highest egg production and the best adult livability. In the 5th California Random Sample test, DEKALB birds averaged 267 eggs per pullet (Hen-Day Basis), and 271 eggs per pullet (Hen-Day Basis) in the 6th California Random Sample Test. In the Kansas Poultry Flock Improvement Project Sept. 1, 1954 thru Aug. 30, 1955, DEKALB CHIX took first in the Hatchery Breeder flock division with 271 eggs average per bird, and first in the Farm Flock division with 270 eggs average per bird.
